

HEALTHY LOWELL WEEK

April 6-12, 2020

Join the Lowell Health Department and many of its community partners to celebrate *Healthy Lowell Week* in honor of National Public Health Week taking place across the country from April 6-12, 2020.

Here's how you can join-in:

- Attend one of the Healthy Lowell Week events
- Access health and wellness discounts and promotions across Lowell
- Use the hashtags #healthylowellweek and #nphw to show all the ways you make Lowell a healthy place to live, work, and play
- Share this with your friends and family and encourage everyone to participate

Use this code to get more details! Just open your smartphone's camera and scan.
