Hi Kerry,  
I am not familiar with this school.

Subject: Question for you re: alternative Skin Course

Hi Ruth

Our Board of Health has been petitioned to accept a series of classes conducted by the Lawrence Training Institute as a replacement for your Skin Course. They wanted to inquire as to if you have heard of the Lawrence Training Institute and the series of classes they have on the skin and if you have, they wanted to know if you thought it would be an acceptable replacement to your class.

Thanks

Kerry
