

Board of Health, January 2019, School Health Unit

LGH trained our nursing staff in “Stop The Bleed”.

Nurse leader & Manager attended the quarterly Refugee Health Assessment Planning (RHAP) meeting.

As expected, the number of refugees entering our country, state and schools has been on a steady decline.

UML nursing students returned after the holiday break to intern with our nurses.

We welcomed a new hire to our nursing staff who took the Bailey School assignment.
