RE: 3/5/2019 Motion C. Samaras - Req. City Mgr. Instruct the Proper Department to Check the Status of Little League Fields in the City in Preparation for the Upcoming Season

The Superintendent of Parks has been in touch with the various City leagues and neighborhood youth organizations regarding the start dates for the upcoming season. He has also toured all of the fields and continues to do so on a regular basis. Barring any major weather events such as excessive rain, he is confident that all City fields will be ready for opening day.

Please feel free to contact either myself or the Superintendent of Parks if you have any questions regarding this motion response.
