

Sheltering In Place

- Follow the instruction of local authorities
- Bring children and pets indoors immediately
- Close and lock all outside doors and windows
- If you are told there is danger of explosion close the window shades, blinds and curtains.
- Turn off heating and air conditioning
- Close the fireplace or wood stove damper
- Get your disaster supply kit and make sure the radio is working
- Move to an interior room with no or few windows and shut the doors
- If instructed, seal the room with duct tape and plastic sheeting. Seal all cracks around the door and into the room. Tape plastic over any windows, vents, electrical outlets and other openings
- Listen to your radio until all is safe or you are told to evacuate
