

THE CITY OF
LOWELL

present

A New Lowell High School

Please join us for an information session updating the next steps of the new Lowell High School project and how it may impact you and your family. Ask questions and share your ideas and concerns.

Presentations will be made by the City of Lowell's Project Management and Architectural Consultants who will be presenting updated information to the community.

Translation Services and refreshments will be provided.

For more information please visit: www.lowellhsproject.com/
