Thanks for asking.
No need for follow up.
I've submitted the CHR to the Law Dept, as part of Ch 270 update.
BOH can close out my original request.

Hi Gunther
If you want, do you want to send me an update on the regulation you spoke to Law about for the Board packet before you go? Our meeting is on the 12th so the packet will be going out around the 5th. I'm on vacation next week so if you do want something to go in just email it to me before the 3rd.
Good luck in Haverhill!
