Text that appears underlined indicates a "hyperlink" to an Internet or bookmarked site and are unofficial versions of these documents and Departments and Contractors should consult with their legal counsel to ensure compliance with all legal requirements. Using the Web Toolbar will make navigation between the form and the hyperlinks easier. Please note that not all applicable laws have been cited.

CONTRACTOR LEGAL NAME (AND D/B/A): Enter the Full Legal Name of the Contractor's business as it appears on the Contractor's [W-9](#) or [W-4 Form](#) (Contract Employees only) and the applicable [Commonwealth Terms and Conditions](#). If Contractor also has a "doing business as" (d/b/a) name, BOTH the legal name and the "d/b/a" name must appear in this section.

Contractor Legal Address: Enter the Legal Address of the Contractor as it appears on the Contractor's [W-9](#) or [W-4 Form](#) (Contract Employees only) and the applicable [Commonwealth Terms and Conditions](#), which must match the legal address on the 1099I table in MMARS (or the Legal Address in HR/CMS for Contract Employee).

Contractor Contract Manager: Enter the authorized Contract Manager who will be responsible for managing the Contract. The Contract Manager should be an Authorized Signatory or, at a minimum, a person designated by the Contractor to represent the Contractor, receive legal notices and negotiate ongoing Contract issues. This information must be kept current by the Contractor to ensure that the Department can contact the Contractor and provide any required legal notices. Notice received by the Contract Manager (with confirmation of actual receipt) through the listed address, fax number(s) or electronic mail address will meet any written legal notice requirements.

Contractor Vendor Code: The Department must enter the [MMARS Vendor Code](#) assigned by the Commonwealth. If a Vendor Code has not yet been assigned, leave this space blank and the Department will complete this section when a Vendor Code has been assigned. The Department is responsible under the [Vendor File and W-9s Policy](#) for verifying with authorized signatories of the Contractor, as part of contract execution, that the legal name, address and Federal Tax Identification Number (TIN) in the Contract documents match the state accounting system.

Vendor Code Address ID: (e.g., "AD001") The Department must enter the MMARS Vendor Code Address ID identifying the payment remittance address for Contract payments, which MUST be set up for EFT payments PRIOR to the first payment under the Contract in accordance with the [Bill Paying](#) and [Vendor File and W-9](#) policies.

COMMONWEALTH DEPARTMENT NAME: Enter the full Department name with the authority to obligate funds encumbered for the Contract.

Commonwealth MMARS Alpha Department Code: Enter the [three \(3\) letter MMARS Code](#) assigned to this Commonwealth Department in the state accounting system.

Unless otherwise specified in the Contract, legal notice sent or received by the Department's Contract Manager (with confirmation of actual receipt) through the listed address, fax number(s) or electronic mail address for the Contract Manager will meet any requirements for legal notice.

Department Billing Address: Enter the Billing Address or email address if invoices must be sent to a different location. Billing or confirmation of delivery of performance issues should be resolved through the listed Contract Managers.

Department E-Mail Address/Phone/Fax: Enter the electronic mail (e-mail) address, phone and fax number of the Department Contract Manager. Unless otherwise specified in the Contract, legal notice sent or received by the Contract Manager (with confirmation of actual receipt) through the listed address, fax number(s) or electronic mail address will meet any requirements for written notice under the Contract.

MMARS Document ID(s): Enter the MMARS 20 character encumbrance transaction number associated with this Contract which must remain the same for the life of the Contract. If multiple numbers exist for this Contract, identify all Doc Ids.

RFR/Procurement or Other ID Number or Name: Enter the Request for Response (RFR) or other Procurement Reference number, Contract ID Number or other reference/tracking number for this Contract or Amendment and will be entered into the Board Award Field in the MMARS encumbrance transaction for this Contract.

NEW CONTRACTS (left side of Form):

Complete this section ONLY if this Contract is brand new. (Complete the CONTRACT AMENDMENT section for any material changes to an existing or an expired Contract, and for exercising options to renew or annual contracts under a multi-year procurement or grant program.)

PROCUREMENT OR EXCEPTION TYPE: Check the appropriate type of procurement or exception for this Contract. Only one option can be selected. See [State Finance Law and General Requirements](#), [Acquisition Policy and Fixed Assets](#), the [Commodities and Services Policy](#) and the [Procurement Information Center \(Department Contract Guidance\)](#) for details.

Statewide Contract (OSD or an OSD-designated Department): Check this option for a Statewide Contract under OSD, or by an OSD-designated Department.

Collective Purchase approved by OSD: Check this option for Contracts approved by OSD for collective purchases through federal, state, local government or other entities.

Department Contract Procurement: Check this option for a Department procurement including state grants and federal sub-grants under [815 CMR 2.00](#) and [State Grants and Federal Subgrants Policy](#), Departmental Master Agreements (MA). If multi-Department user Contract, identify multi-Department use is allowable in Brief Description.

Emergency Contract: Check this option when the Department has determined that an unforeseen crisis or incident has arisen which requires or mandates immediate purchases to avoid substantial harm to the functioning of government or the provision of necessary or mandated services or whenever the health, welfare or safety of clients or other persons or serious damage to property is threatened.

Contract Employee: Check this option when the Department requires the performance of an [Individual Contractor](#), and when the planned Contract performance with an Individual has been classified using the [Employment Status Form](#) (prior to the Contractor's selection) as work of a Contract Employee and not that of an Independent Contractor.

Legislative/Legal or Other: Check this option when legislation, an existing legal obligation, prohibition or other circumstance exempts or prohibits a Contract from being competitively procured, or identify any other procurement exception not already listed. Legislative "earmarks" exempt the Contract solely from procurement requirements, and all other Contract and state finance laws and policies apply. Supporting documentation must be attached to explain and justify the exemption.

CONTRACT AMENDMENT (Right Side of Form)

Complete this section for any Contract being renewed, amended or to continue a lapsed Contract. All Contracts with available options to renew must be amended referencing the original procurement and Contract doc ids, since all continuing contracts must be maintained in the same Contract file (even if the underlying appropriation changes each fiscal year.) *See [Amendments, Suspensions, and Termination Policy](#).)

Enter Current Contract End Date: Enter the termination date of the Current Contract being amended, even if this date has already passed. (Note: Current Start Date is not requested since this date does not change and is already recorded in MMARS.)

Enter Amendment Amount: Enter the amount of the Amendment increase or decrease to a Maximum Obligation Contract. Enter "no change" for Rate Contracts or if no change.

AMENDMENT TYPE: Identify the type of Amendment being done. Documentation supporting the updates to performance and budget must be attached. **Amendment to Scope or Budget:** Check this option when renewing a Contract or executing any Amendment ("material change" in Contract terms) even if the Contract has lapsed. The parties may negotiate a change in any element of Contract performance or cost identified in the RFR or the Contractor's response which results in lower costs, or a more cost-effective or better value performance than was presented in the original selected response, provided the negotiation results in a better value within the scope of the RFR than what was proposed by the Contractor in the original selected response. Any "material" change in the Contract terms must be memorialized in a formal Amendment even if a corresponding MMARS transaction is not needed to support the change. Additional negotiated terms will take precedence over the relevant terms in the RFR and the Contractor's Response only if made using the process outlined in [801 CMR 21.07](#), incorporated herein, provided that any amended RFR or Response terms result in best value, lower costs, or a more cost effective Contract.

Interim Contracts: Check this option for an Interim Contract to prevent a lapse of Contract performance whenever an existing Contract is being re-procured but the new procurement has not been completed, to bridge the gap during implementation between an expiring and a new procurement, or to contract with an interim Contractor when a current Contractor is unable to complete full performance under a Contract.

Contract Employee: Check this option when the Department requires a renewal or other amendment to the performance of a Contract Employee.

Legislative/Legal or Other: Check this option when legislation, an existing legal obligation, prohibition or other circumstance exempts or prohibits a Contract from being competitively procured, or identify any other procurement exception not already listed. Legislative "earmarks" exempt the Contract solely from procurement requirements, and all other Contract and state finance laws and policies apply. Attach supporting documentation to explain and justify the exemption and whether Contractor selection has been publicly

posted.

COMMONWEALTH TERMS AND CONDITIONS

Identify which [Commonwealth Terms and Conditions](#) the Contractor has executed and is incorporated by reference into this Contract. This Form is signed only once and recorded on the Vendor Customer File (VCUST). See [Vendor File and W-9s](#) Policy.

COMPENSATION

Identify if the Contract is a **Rate Contract** (with no stated Maximum Obligation) or a **Maximum Obligation Contract** (with a stated Maximum Obligation) and identify the Maximum Obligation. If the Contract is being amended, enter the new Maximum Obligation based upon the increase or decreasing Amendment. The Total Maximum Obligation must reflect the total funding for the dates of service under the contract, including the Amendment amount if the Contract is being amended. The Maximum Obligation must match the MMARS encumbrance. Funding and allotments must be verified as [available and encumbered](#) prior to incurring obligations. If a Contract includes both a Maximum Obligation component and Rate Contract component, check off both, specific Maximum Obligation amounts or amended amounts and Attachments must clearly outline the Contract breakdown to match the encumbrance.

PAYMENTS AND PROMPT PAY DISCOUNTS

Payments are processed within a 45 day payment cycle through EFT in accordance with the Commonwealth [Bill Paying Policy](#) for investment and cash flow purposes. Departments may NOT negotiate accelerated payments and Payees are NOT entitled to accelerated payments UNLESS a prompt payment discount (PPD) is provided to support the Commonwealth's loss of investment earnings for this earlier payment, or unless a payments is legally mandated to be made in less than 45 days (e.g., construction contracts, Ready Payments under [G.L. c. 29, s. 23A](#)). See [Prompt Pay Discounts Policy](#). PPD are identified as a percentage discount which will be automatically deducted when an accelerated payment is made. Reduced contracts rates may not be negotiated to replace a PPD. If PPD fields are left blank please identify that the Contractor agrees to the standard 45 day cycle; a statutory/legal exemption such as Ready Payments ([G.L. c. 29, § 23A](#)); or only an initial accelerated payment for reimbursements or start up costs for a grant, with subsequent payments scheduled to support standard EFT 45 day payment cycle. Financial hardship is not a sufficient justification to accelerate cash flow for *all* payments under a Contract. Initial grant or contract payments may be accelerated for the *first* invoice or initial grant installment, but subsequent periodic installments or invoice payments should be scheduled to support the Payee cash flow needs and the standard 45 day EFT payment cycle in accordance with the Bill Paying Policy. Any accelerated payment that does not provide for a PPD must have a legal justification in Contract file for audit purposes explaining why accelerated payments were allowable without a PPD.

BRIEF DESCRIPTION OF CONTRACT PERFORMANCE

Enter a brief description of the Contract performance, project name and/or other identifying information for the Contract to specifically identify the Contract performance, match the Contract with attachments, determine the appropriate expenditure code (as listed in the [Expenditure Classification Handbook](#)) or to identify or clarify important information related to the Contract such as the Fiscal Year(s) of performance (ex. "FY2012" or "FY2012-14"). Identify settlements or other exceptions and attach more detailed justification and supporting documents. Enter "Multi-Department Use" if other Departments can access procurement. For Amendments, identify the purpose and what items are being amended. Merely stating "see attached" or referencing attachments without a narrative description of performance is insufficient.

ANTICIPATED START DATE

The Department and Contractor must certify WHEN obligations under this Contract/Amendment may be incurred. Option 1 is the default option when performance may begin as of the [Effective Date](#) (latest signature date and any required approvals). If the parties want a new Contract or renewal to begin as of the upcoming fiscal year then list the fiscal year(s) (ex. "FY2012" or "FY2012-14") in the Brief Description section. Performance starts and encumbrances reflect the default [Effective Date](#) (if no FY is listed) or the later FY start date (if a FY is listed). Use Option 2 only when the Contract will be signed well in advance of the start date and identify a specific future start date. Do not use Option 2 for a fiscal year start unless it is certain that the Contract will be signed prior to fiscal year. Option 3 is used in lieu of the [Settlement and Release Form](#) when the Contract/Amendment is signed late, and obligations have already been incurred by the Contractor prior to the [Effective Date](#) for which the Department has either requested, accepted or deemed legally eligible for reimbursement, and the Contract includes supporting documents justifying the performance or proof of eligibility, and approximate costs. Any obligations incurred outside the scope of the [Effective Date](#) under any Option listed, even if the incorrect Option is selected, shall be automatically deemed a settlement included under the terms of the Contract and upon payment to the Contractor will release the Commonwealth from further obligations for the identified performance. All settlement payments require justification and must be under same encumbrance and object codes as the Contract payments. Performance dates are subject to [G.L. c.4, § 9](#).

CONTRACT END DATE

The Department must enter the date that Contract performance will terminate. **If the Contract is being amended and the Contract End Date is not changing, this date must be re-entered again here.** A Contract must be signed for at least the initial duration but not longer than the period of procurement listed in the RFR, or other solicitation document (if applicable). No new performance is allowable beyond the end date without an amendment, but the Department may allow a Contractor to complete minimal close out performance obligations if substantial performance has been made prior to the termination date of the Contract and prior to the end of the fiscal year in which payments are appropriated, provided that any close out performance is subject to appropriation and funding limits under state finance law, and CTR may adjust encumbrances and payments in the state accounting system to enable final close out payments. Performance dates are subject to [G.L. c.4, § 9](#).

CERTIFICATIONS AND EXECUTION

See [Department Head Signature Authorization Policy](#) and the [Contractor Authorized Signatory Listing](#) for policies on Contractor and Department signatures.

Authorizing Signature for Contractor/Date: The Authorized Contractor Signatory must (in their own handwriting and in ink) sign AND enter the date the Contract is signed. See section above under "[Anticipated Contract Start Date](#)". Acceptance of payment by the Contractor shall waive any right of the Contractor to claim the Contract/Amendment is not valid and the Contractor may not void the Contract. **Rubber stamps, typed or other images are not acceptable.** Proof of Contractor signature authorization on a [Contractor Authorized Signatory Listing](#) may be required by the Department if not already on file.

Contractor Name /Title: The Contractor Authorized Signatory's name and title must appear legibly as it appears on the [Contractor Authorized Signatory Listing](#).

Authorizing Signature For Commonwealth/Date: The [Authorized Department Signatory](#) must (in their own handwriting and in ink) sign AND enter the date the Contract is signed. See section above under "[Anticipated Start Date](#)". **Rubber stamps, typed or other images are not accepted.** The Authorized Signatory must be an employee within the Department legally responsible for the Contract. See [Department Head Signature Authorization](#). The Department must have the legislative funding appropriated for all the costs of this Contract or funding allocated under an [approved Interdepartmental Service Agreement \(ISA\)](#). A Department may not contract for performance to be delivered to or by another state department without specific legislative authorization (unless this Contract is a Statewide Contract). For Contracts requiring Secretariat signoff, evidence of Secretariat signoff must be included in the Contract file.

Department Name /Title: Enter the Authorized Signatory's name and title legibly.

CONTRACTOR CERTIFICATIONS AND LEGAL REFERENCES

Notwithstanding verbal or other representations by the parties, the "Effective Date" of this Contract or Amendment shall be the latest date that this Contract or Amendment has been executed by an authorized signatory of the Contractor, the Department, or a later Contract or Amendment Start Date specified, subject to any required approvals. The Contractor makes all certifications required under this Contract under the pains and penalties of perjury, and agrees to provide any required documentation upon request to support compliance, and agrees that all terms governing performance of this Contract and doing business in Massachusetts are attached or incorporated by reference herein:

Commonwealth and Contractor Ownership Rights. The Contractor certifies and agrees that the Commonwealth is entitled to ownership and possession of all "deliverables" purchased or developed with Contract funds. A Department may not relinquish Commonwealth rights to deliverables nor may Contractors sell products developed with Commonwealth resources without just compensation. The Contract should detail all Commonwealth deliverables and ownership rights and any Contractor proprietary rights.

Qualifications. The Contractor certifies it is qualified and shall at all times remain qualified to perform this Contract; that performance shall be timely and meet or exceed industry standards for the performance required, including obtaining requisite licenses, registrations, permits, resources for performance, and sufficient professional, liability; and other appropriate insurance to cover the performance. If the Contractor is a business, the Contractor certifies that it is listed under the [Secretary of State's website](#) as licensed to do business in Massachusetts, as required by law.

Business Ethics and Fraud, Waste and Abuse Prevention. The Contractor certifies that performance under this Contract, in addition to meeting the terms of the Contract, will be made using ethical business standards and good stewardship of taxpayer and other public funding and resources to prevent fraud, waste and abuse.

Collusion. The Contractor certifies that this Contract has been offered in good faith and without collusion, fraud or unfair trade practices with any other person, that any actions to avoid or frustrate fair and open competition are prohibited by law, and shall be grounds for rejection or disqualification of a Response or termination of this Contract.

Public Records and Access The Contractor shall provide full access to records related to performance and compliance to the Department and officials listed under [Executive Order 195](#) and [G.L. c. 11, s.12](#) seven (7) years beginning on the first day after the final payment

COMMONWEALTH OF MASSACHUSETTS ~ STANDARD CONTRACT FORM

under this Contract or such longer period necessary for the resolution of any litigation, claim, negotiation, audit or other inquiry involving this Contract. Access to view Contractor records related to any breach or allegation of fraud, waste and/or abuse may not be denied and Contractor can not claim confidentiality or trade secret protections solely for viewing but not retaining documents. Routine Contract performance compliance reports or documents related to any alleged breach or allegation of non-compliance, fraud, waste, abuse or collusion may be provided electronically and shall be provided at Contractor's own expense. Reasonable costs for copies of non-routine Contract related records shall not exceed the rates for public records under [950 C.M.R. 32.00](#).

Debarment. The Contractor certifies that neither it nor any of its subcontractors are currently debarred or suspended by the federal or state government under any law or regulation including, [Executive Order 147](#); [G.L. c. 29, s. 29F](#); [G.L. c. 30, § 39R](#); [G.L. c. 149, § 27C](#); [G.L. c. 149, § 44C](#); [G.L. c. 149, § 148B](#) and [G.L. c. 152, s. 25C](#).

Applicable Laws. The Contractor shall comply with all applicable state laws and regulations including but not limited to the applicable [Massachusetts General Laws](#); the Official [Code of Massachusetts Regulations](#); [Code of Massachusetts Regulations](#) (unofficial); [801 CMR 21.00](#) (Procurement of Commodity and Service Procurements, Including Human and Social Services); [815 CMR 2.00](#) (Grants and Subsidies); [808 CMR 1.00](#) (Compliance, Reporting and Auditing for Human And Social Services); [AICPA Standards](#); confidentiality of Department records under [G.L. c. 66A](#); and the [Massachusetts Constitution Article XVIII](#) if applicable.

Invoices. The Contractor must submit invoices in accordance with the terms of the Contract and the Commonwealth [Bill Paying Policy](#). Contractors must be able to reconcile and properly attribute concurrent payments from multiple Departments. Final invoices in any fiscal year must be submitted no later than August 15th for performance made and received (goods delivered, services completed) prior to June 30th, in order to make payment for that performance prior to the close of the fiscal year to prevent reversion of appropriated funds. Failure to submit timely invoices by August 15th or other date listed in the Contract shall authorize the Department to issue an estimated payment based upon the Department's determination of performance delivered and accepted. The Contractor's acceptance of this estimated payment releases the Commonwealth from further claims for these invoices. If budgetary funds revert due to the Contractor's failure to submit timely final invoices, or for disputing an estimated payment, the Department may deduct a penalty up to 10% from any final payment in the next fiscal year for failure to submit timely invoices.

Payments Subject To Appropriation. Pursuant to [G.L. c. 29 § 26, § 27](#) and [§ 29](#), Departments are required to expend funds only for the purposes set forth by the Legislature and within the funding limits established through appropriation, allotment and subsidiary, including mandated allotment reductions triggered by [G.L. c. 29, § 9C](#). A Department cannot authorize or accept performance in excess of an existing appropriation and allotment, or sufficient non-appropriated available funds. Any oral or written representations, commitments, or assurances made by the Department or any other Commonwealth representative are not binding. The Commonwealth has no legal obligation to compensate a Contractor for performance that is not requested and is intentionally delivered by a Contractor outside the scope of a Contract. Contractors should verify funding prior to beginning performance.

Intercept. Contractors may be registered as Customers in the Vendor file if the Contractor owes a Commonwealth debt. Unresolved and undisputed debts, and overpayments of Contract payments that are not reimbursed timely shall be subject to intercept pursuant to [G.L. c. 7A, s. 3](#) and [815 CMR 9.00](#). Contract overpayments will be subject to immediate intercept or payment offset. The Contractor may not penalize any state Department or assess late fees, cancel a Contract or other services if amounts are intercepted or offset due to recoupment of an overpayment, outstanding taxes, child support, other overdue debts or Contract overpayments.

Tax Law Compliance. The Contractor certifies under the pains and penalties of perjury tax compliance with [Federal tax laws](#); [state tax laws](#) including but not limited to [G.L. c. 62C](#); [G.L. c. 62C, s. 49A](#); compliance with all state tax laws, reporting of employees and contractors, withholding and remitting of tax withholdings and child support and is in good standing with respect to all state taxes and returns due; reporting of employees and contractors under [G.L. c. 62E](#), withholding and remitting [child support](#) including [G.L. c. 119A, s. 12](#); [TIR 05-11: New Independent Contractor Provisions](#) and applicable [TIRs](#).

"other damages" shall not include, and in no event shall the contractor be liable for, damages for the Commonwealth's use of contractor provided products or services, loss of Commonwealth records, or data (or other intangible property), loss of use of equipment, lost revenue, lost savings or lost profits of the Commonwealth. DEPARTMENT OF CONSERVATION AND RECREATION
MASSTRAILS GRANT AWARD**

Grant Award Recipient: City of Lowell

Award Date:

Grant Contract ID: P20-3337-G09

GRANT AGREEMENT

This document represents a Grant Agreement between City of Lowell and the Department of Conservation and Recreation (DCR) for the Connector Trail project as awarded under the MassTrails Grant Program. Upon signature of this Grant Agreement by the Project Manager or authorized signatory and in conjunction with execution of the fiscal grant contract by the state, City of Lowell may proceed to incur direct and matching expenses in relation to the project scope.

1. GENERAL PURPOSE

The City of Lowell agrees to perform, as outlined in your application and any approved revisions, services related to Connector Trail project, in accordance with all regulations, policies and procedures set forth by the state under the MassTrails Program.

2. GRANT TOTAL

The maximum amount of funds available to the Grantee pursuant to this agreement shall be **\$180,000**. It is further understood and agreed that the Grantee shall only be reimbursed on the basis of actual costs incurred, and that the State's determination of eligible and approved costs shall be final in all cases.

It is understood and agreed that all payments of all sums by the State hereunder are contingent upon availability and continued appropriation, and if for any reason whatsoever, such funds shall be terminated or reduced or otherwise become unavailable, the State may terminate this grant in whole or part immediately. Any funds awarded but not applied for by the Grantee on the project termination date shall lapse.

3. COST SHARING PROVISIONS

The grantee will be required to provide adequate documentation in a format that fully accounts for and certifies that the matching funds or in-kind services have been, in fact, incurred on the project. The grantee must document a minimum of 20% of the total project cost. The proposed match for this project, as stated in the grant proposal, is **\$55,500**.

4. TERM OF GRANT CONTRACT

This grant contract is effective from the date of your signed contract to **June 30, 2020**. All expenditures and match must occur within the contract time period. No direct expenses or match will be accepted or reimbursed if they occur outside of the contract time period.

5. COMPLIANCE WITH STATE AND FEDERAL REGULATIONS

The Grantee will ensure that the project complies with all applicable state regulations as listed in this section. It is the responsibility of the grantee to obtain any required permitting or record of communication with regulatory review agencies as instructed below. If required, documentation of the review or permit must be on file at the offices of the DCR Recreational Trails Program before the trail project can begin.

- **Massachusetts Wetlands/Rivers Protection Acts and Local Wetland Bylaws**

Any project that alters land within 100 feet of a wetland or 200 feet of a river or stream (or that meets any other condition of the Rivers or Wetlands Protection Act) will require the approval of the local Conservation Commission before any construction can proceed. If so instructed by the Commission, filing an RDA and a NOI may be required.

- **Massachusetts Endangered Species Act (MESA)**

MESA protects rare species and their habitats by prohibiting the “Take” of any plant or animal species listed as Endangered, Threatened, or of Special Concern. Any project activities which occur within Estimated or Priority Habitat as identified by the Massachusetts Natural Heritage and Endangered Species Program (NHESP) must file with the program for review and approval, unless the project has been determined as exempt by NHESP.

6. PROCUREMENT PROCEDURES

MassTrails Grantees may follow their own established written procurement procedures, however, any procedures relating to the grant project must provide for the following, at minimum:

- a. Grantees’ avoidance of purchasing unnecessary items.
- b. Where appropriate, an analysis is made of lease and purchase alternatives to determine which would be the most economical and practical procurement.
- c. When purchasing an item with a value between \$10,000 and \$150,000, grantees are required to obtain at least three bids for goods and/or services. The solicitations must provide for all of the following:
 - i. A clear and accurate description of the technical requirements for the material, product or service to be procured. In competitive procurements, such a description shall not contain features which unduly restrict competition.
 - ii. Requirements which the bidder/offeror must fulfill and all other factors to be used in evaluating bids or proposals.

- iii. A description, whenever practicable, of technical requirements in terms of functions to be performed or performance required, including the range of acceptable characteristics or minimum acceptable standards.
- iv. The specific features of “brand name or equal” descriptions that bidders are required to meet when such items are included in the solicitation.
- v. The acceptance, to the extent practicable and economically feasible, of products and services dimensioned in the metric system of measurement.
- vi. Preference, to the extent practicable and economically feasible, for products and services that conserve natural resources and protect the environment and are energy efficient.

If the grantee does not have established written procurement procedures, the grantee accepts and agrees to follow the above procurement policy in place of its own requirements.

7. REIMBURSEMENT

The State agrees to reimburse the Grantee **up to the approved grant amount** for approved expenses incurred in accordance with the project budget subject to the following:

- a. It is understood and agreed by the parties that in the performance of this grant and the services hereunder, the Grantee and its servants and employees are in all respects independent contractors and shall neither be determined to be employed by, nor agents of, the State, nor be entitled to any benefits provided by the State to its employees.
- b. The grantee must pay 100 percent of the cost of an item before submitting a request for reimbursement of eligible costs. For example, a grantee may not apply for reimbursement for a piece of equipment for which they have set up a loan agreement and monthly payment plan. The equipment must first be paid in full by the entity indicated on the state contract before any reimbursement will be authorized.
 - i. When requesting reimbursements, the Grantee shall submit **invoices/receipts** for actual costs incurred. All invoices/receipts must show dates within the contract period.
 - ii. The Grantee must also submit **proof of payment** (such as a cancelled check or credit card statement) of the invoice by the Grantee. All payments must be traced from the invoice/receipt to proof of payment by the entity on the state contract.
 - iii. For **major equipment** purchased through the program (such as a snow groomer), a receipt from the vendor indicating the equipment has been delivered and paid in full, including name, serial number, year of manufacture, accessories received and price from seller, shall also be submitted.
 - iv. For requests of reimbursement of **staff time**, time sheet records indicating dates and hours spent on the project, tasks accomplished and billing rates must be submitted. Proof of payment to the staff must also be submitted, such as payroll records or copies of pay stubs. The hourly rate must be clearly displayed, or a letter from the

organization stating the hourly rate of each employee must be provided. Indirect/fringe costs can be included. A letter from the organization stating the indirect cost rate must be included for verification of the rate.

- v. If a third party has made a purchase on behalf of the grantee, the original invoice/receipt must be documented as well as proof of that direct payment, as in a copy of the credit card statement of the third party showing the transaction. Then, proof of payment to the third party by the Grantee must be submitted, (e.g. a cancelled check).
- c. The Grantee may submit multiple reimbursement requests, on a monthly basis at most, during the grant period.
- d. The Grantee may submit the final reimbursement request up to 2 weeks after the contract has expired.
- e. The Grantee will submit a Final Report with the final reimbursement request.
- f. The Grantee's final reimbursement will be held until a site visit has been conducted by the RTP Grant Manager.
- g. **The purchase of food is not an applicable cost for trail grant funding. Do not submit a reimbursement request for food as a part of your grant expenditures or as match.**

8. MATCH

The Grantee shall document incurred **match** with each reimbursement request. Documentation of 20% of each reimbursement request must be provided, meaning, if there are multiple reimbursement requests submitted by the grantee, each request must contain documentation of at least 20% match of that particular reimbursement request total.

- a. Any match that is actual cash spent towards the project must be documented with the same requirements as the reimbursement requests. Invoices and proof of payment are required.
- b. Volunteer labor as match must be documented with time sheets including names, dates, hours worked, description of work accomplished and value of those hours for every hour claimed. Sample spreadsheets can be provided by the MassTrails Program Manager upon request.
- c. Staff time utilized as match requires a spreadsheet showing dates, names, hours worked, description of grant-related work and value of those hours for every hour claimed. Proof of payment to the employee must be provided as well, either in the form of copies of paystubs or a payroll report. The hourly rate must be clearly displayed, or a letter from the organization stating the hourly rate of each employee must be provided. Indirect costs/fringe can be included. A letter from the organization stating the indirect cost rate must be included for verification of the rate.

- d. Donations must be documented with a written statement from the entity that has made the donation, stating their donation, its value and to whom it was given. Proof of the value of the donation must also be submitted, either by an invoice, receipt, or another form of valuation, such as the most current value listed on a website where comparable products are sold.

9. PROJECT COMPLETION REQUIREMENTS

The Grantee shall submit a **Final Report** along with their final Request for Reimbursement. This report shall document the project's goals, accomplishments, barriers encountered and lessons learned. A map indicating the location of the project and pictures should also be included. The final reimbursement is contingent upon a satisfactory review of the project, including completing the proposed scope as outlined in the project proposal and consistency with the proposed budget. In some cases, a site visit will be deemed necessary, to be conducted before the final reimbursement is approved. When the project is completed and/or when final documents are being prepared, contact the MassTrails Program Manager to determine if a site visit will be necessary. If required, a site visit will be scheduled within 30 days of notification of completion of a project or the reimbursement may move ahead with processing. A template for the Final Report is available on the Massachusetts Recreational Trails Program website, or a copy can be provided by DCR upon request.

10. AMENDMENT OF GRANT CONTRACT

The Grantee shall not amend, revise, or change the approved application, scope or budget (including the proposed match) without the written consent of the DCR. Requests for a revised scope or budget must be submitted in writing and approved by DCR before the Grantee may proceed with the changes. If the change is not submitted to DCR and approved, all costs associated with the change will not be reimbursed.

11. TERMINATION OF GRANT CONTRACT

Any failure by the Grantee to abide by or carry out any of the terms or conditions of this grant shall, at the discretion of the State, result in termination of this grant, if, after notice to the Grantee, said default is not remedied within ten (10) days. In the event of termination, no further payments shall be made by the State.

12. PROJECT PROGRESS REPORTS

The Grantee shall submit a **Project Progress Report** upon request by the MassTrails Program Manager at any time. A template for the Progress Report is available on the Massachusetts Recreational Trails Program website, or a copy can be provided by DCR upon request.

An Equipment Report on the condition, use and location of property defined as equipment purchased with grant funds shall be submitted **biannually (March 15th and September 15th), for a period of five years following the project end date.**

13. EQUIPMENT PURCHASES

Equipment is defined as tangible personal property having a useful life of at least one year and a per-unit acquisition cost of \$5,000 or greater. The equipment title will rest with the grantee and must be used for the proper authorized use as stated in the project proposal. The Grantee is required to use the equipment for its proposed and intended purpose for a **reporting period of five years**.

14. LAND OWNERSHIP

Proposals for projects that will take place on land that is not owned or managed by the applying organization must include a signed statement from the landowner or manager specifically authorizing the project and ensuring that the property is open for continuing public access. If the project will take place on private land, an easement for public access with a commitment of no less than 10 years must be in place prior to the grant award. If there is a Conservation Restriction (CR) on the parcel, the CR holder must provide written authorization for the project as well. A plan for ongoing stewardship and continued communication must be formalized between the grant applicant and the landowners (or CR holders), for a period of no less than 10 years.

15. ACQUISITIONS

Projects involving land acquisition must obtain an appraisal of the land to be acquired, as well as a review of the appraisal by an independent review appraiser. The review appraiser must certify that the appraisal meets the standards of the Uniform Appraisal Standards for Federal Land Acquisitions, found at <http://www.usdoj.gov/enrd/land-ack/>. Projects involving land acquisition must also conform to the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, 42 U.S.C. § 4601 et seq., as amended, found at <http://www.fhwa.dot.gov/realestate/ua/index.htm>. These regulations apply to evaluating the acquisition of real property and any potential displacement activities.

16. MASSTRAILS ACKNOWLEDGEMENT SIGNS

The Grantee shall display formal and permanent recognition/acknowledgment of the MassTrails at the project site or affixed on equipment purchased through the program. Signs should be constructed of sturdy material that is permanent, large enough to be clearly visible and located at a prominent access point to the project area. The suggested language identifies the site as a cooperative venture (i.e. “A Cooperative Trail Project between the ‘Name of Municipality/Org.’ and MassTrails”). Any printed materials such as trail brochures, celebration announcements or website information should also identify the financial partnership that made the project a reality. Stickers or decals shall be printed and displayed on all equipment purchased with MassTrails funding. **It is also encouraged that the Grantee develop and distribute a press release upon the award of the grant and/or project completion, acknowledging MassTrails as a source of funds for the project.**

17. COMMUNITY AND STAKEHOLDER OUTREACH

It is the responsibility of the Grantee to manage and perform necessary outreach and notifications to the community, stakeholders and abutters of the project area. Any community concerns or issues regarding the project will be addressed and managed by the Grantee. It is the Grantee's responsibility to have all permissions and approvals in place prior to trail construction or maintenance work. Receipt of grant funds is not to be construed as authorization of the project.

18. CONSTRUCTION INSPECTION REPORT; AUDITS

Project progress inspections may be conducted by State representatives. State representatives may, at any time, inspect the project and review the Grantee's records and files. Upon notification of project completion, the State may inspect projects and prepare a written report. Recommendations for corrective actions will be made, if appropriate. A copy of the report will be sent to the Grantee. Deficiencies, if any, shall be corrected and reported, in writing, to the State within twenty-one (21) days of receipt of the inspection report. Final payment will not be made until deficiencies are corrected. The Grantee agrees to submit to all requested inspections and audits by State officials which relate to the services and payments under this grant.

19. RECORD RETENTION

All program and financial records shall be retained by the Grantee for State audit purposes and available for public inspection for a period of three (3) years *after* the final payment on the project.

At a minimum the following records shall be maintained and made available for audit; invoices, for purchased materials and for all design and construction costs indicating check number and date paid on each invoice, cancelled checks or copies thereof, bid, solicitation, and procurement documents, work changes, change orders and contract amendments.

Record retention for purchases of items \$3,000 or more must include, at minimum, documentation which provides the basis for contractor selection, justification for lack of competition when competitive bids or offers are not obtained, and a basis for the award cost or price.

20. SOVEREIGN IMMUNITY AND INDEMNIFICATION
