Owner, and Contractor (Excavator)/Applicant request that we may be permitted under the terms and conditions of Lowell City Code relating to openings and excavations in streets (Sections 243.31 through 243.65) to do the above work and we, jointly and severally, agree to fully indemnify the City of Lowell against all claims for damages for injuries to persons or property, and against all cost, expenses, and losses occasioned by, or arising from such occupancy and the use of said street or streets, and we, jointly and severally, further agree to pay all cost, and damages which may be recovered against the City of Lowell, by reason of, or on account of our occupancy of said property. We, jointly and severally, further agree to restore and maintain for a period of five (5) years said street opening to City standards and specifications. We, jointly and severally, further certify that we are familiar with and shall comply with 520 CMR 14.00 and 29 CFR 1926.620 (OSHA) and applicable City Code provisions and DPW Permit Manual. Applicant(s) acknowledge awareness of applicable regulation requirements.

THIS APPLICATION DOES NOT CONSTITUTE A STREET OPENING/TRENCH PERMIT
