Terence Ryan
Parking Director

August 1, 2024

Dear Pass Card Holder,

On Monday July 29th, renovation work began at both the George Ayotte and Joseph Downes Parking Facilities. The construction is being performed by Structural Preservation Systems and will be active weekly Monday through Thursday 7:00 AM to 5:30 PM.

The work is scheduled to take approximately 9 months and will start on the top two levels of each garage, replacing sealant, repairing cement and other identified issues. As the work moves to lower levels, drainage pipes and drains will be replaced, and columns repaired.

Throughout the construction, parking will be restricted in work areas and traffic re-routed within the garage. Please drive slowly and only park in designated spaces.

More information can be found on the City of Lowell Parking & Garages website under Parking Projects [here](#).

Sincerely

Terence Ryan
Parking Director
City of Lowell
