What is an Open Space and Recreation Plan?

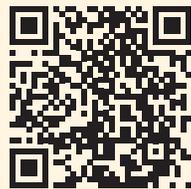

An Open Space and Recreation Plan (OSRP) is an important document created in collaboration with the community to identify and prioritize needed park and open space improvements. The City is required to update its OSRP every 7 years to maintain eligibility for state grants to fund open space improvement projects.

In order to make this plan successful, the Lowell Department of Planning and Development wants to hear from as many people as possible about **what makes our parks great** and **what we can do better**. That includes the youth perspective which is why we created this coloring book highlighting some of the exciting open space projects that are scheduled for construction in 2025!

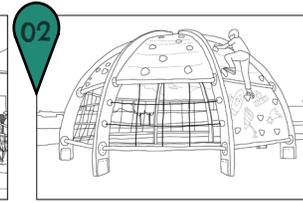

To learn more about ways to get involved and become a **PARK CHAMPION**, visit:

<https://tinyurl.com/37a2y2n9>

or scan the QR code with a smart phone!

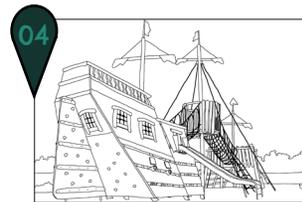

In **Downtown**, Jackson Street is getting a new pocket park featuring green space and a custom play wall.

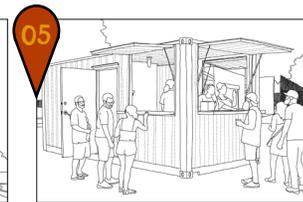

In **Cambodia Town**, Clemente Park is getting a new playground and upgraded volleyball and basketball courts.

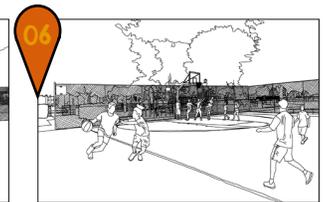

In **Centralville**, Saint Louis Park is getting a new playground, splash pad, and upgraded basketball courts.

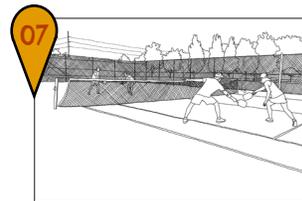

In the **Highlands**, Hadley Park is getting upgrades to the playground. Did you know Black Brook still runs under the park?

In the **Acre**, North Common is getting a new concession stand and upgrades to the baseball field, including irrigation.

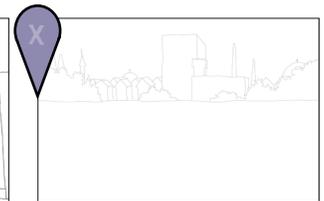

In **Pawtucketville**, Father Maguire Park is getting upgrades to the basketball, tennis, and pickleball courts, and the playground.

In **Sacred Hard**, O'Donnell Park is getting an upgraded tennis, pickleball, and handball court, and an upgraded playground.

In **Belvidere**, Reilly School is getting a new community playground and school yard including this maze/games area.

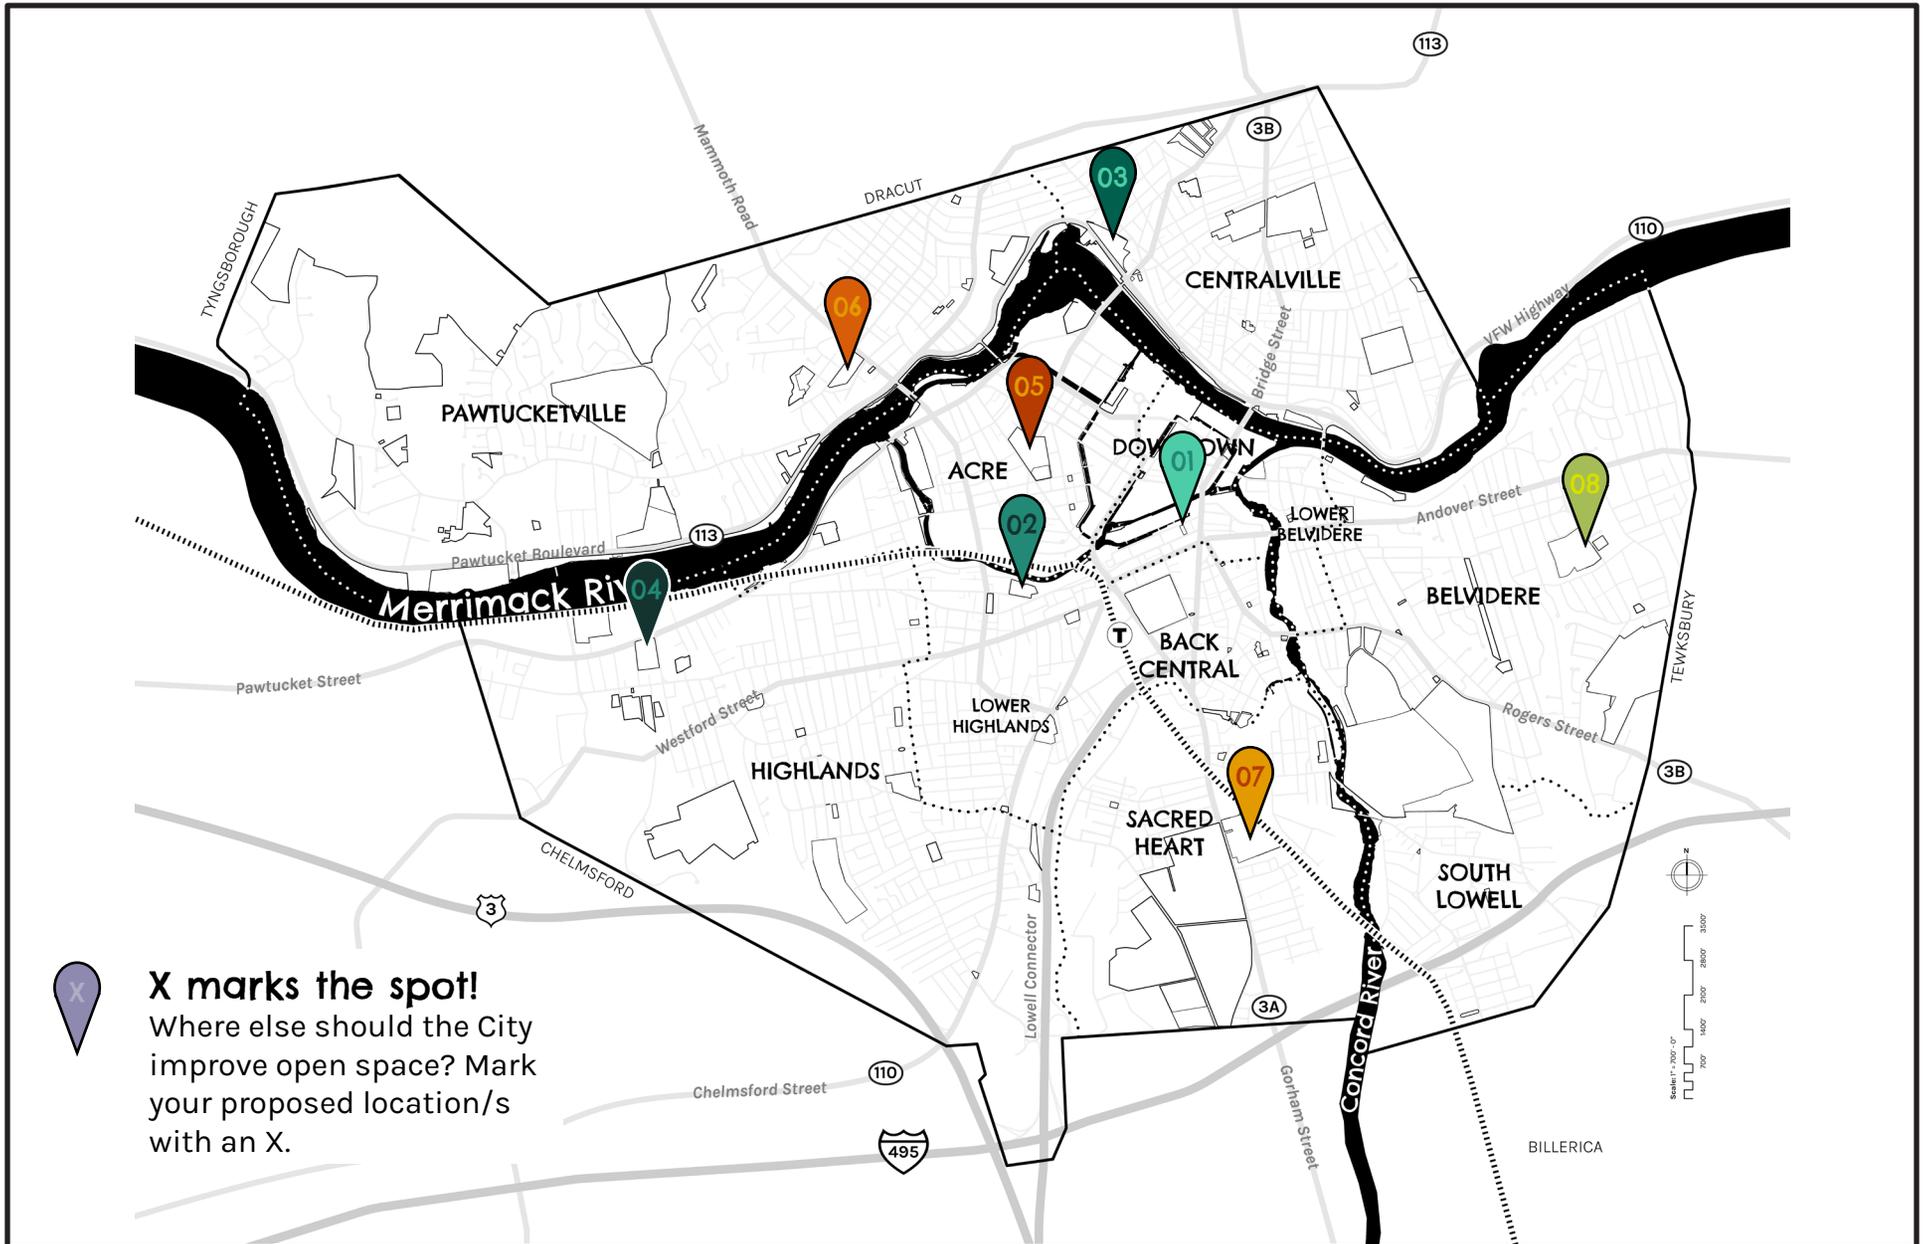

What do you want to see next? Draw your dream park!
