RE: City of Lowell Permit Manual

Please be advised:

Effective May 1, 2010, the City of Lowell has issued a Permit Manual that is now in force. This manual gathers all existing regulations, and a few updates, into one document.

All work impacting the City's Right-of-way must follow the rules spelled out in this document.

Copies can be purchased at the DPW office on Middlesex St., the Engineer's office in City Hall, 3<sup>rd</sup> floor. The manual can be found on the City's web site, [www.lowellma.gov](http://www.lowellma.gov).
